Members, Leaders, and Union activists,

My name is Yuvonne Johnson-Miller, a 1426 Senior Clerk Typist working in the SFUSD Accounting Department. I have worked in the San Francisco Unified School District for 35 years, 4 years at San Francisco General Hospital, and 1 year at the San Francisco Police Department. My total Civil Service years are 40.

I am presently the SEIU 1021 Chapter President, and have held the following positions: SEIU 1021 Vision/Bylaws Committee Member, School Industry Council Member. I have served as an officer on the SEIU 1021 Executive Board and also on the legendary SEIU 790 Executive Board. I have been a shop steward, a union activist, and president of the SEIU 1021 African American Caucus AFRAM.

SEIU 1021 provided me with training in negotiations, strategy and community organizing around important issues. I am a leader and a voice for our members and all everyday working people.

**As your chapter Vice President, I will negotiate for more money and a better contract, demand respect and fairness for our members, and be your voice at the bargaining table.**
