**Superintendent's Proposal
Regular Meeting of the Board of Education
March 13, 2007**

SUBJECT: 73-13Sp2 - Amendment to the SFUSD Wellness Policy

REQUESTED ACTION: The Board of Education of the San Francisco Unified School District amends the SFUSD Wellness Policy to include the following under section 7, Food Sales:

e) Schools shall not invite outside vendors, such as catering trucks or ice cream carts, to sell any kind of food or drinks to students within 1500 feet of the perimeter of school. Principals will notify the offices of their supervisors (i.e., School Operations and Instructional Support), who will in turn take steps to remove such vendors who show up uninvited, including contacting the local police station to ask that the approved route for the catering truck not bring the truck within 1500 feet of the perimeter of the school. Schools will not enter into profit-sharing or other business arrangements with such vendors, or with any off-site business selling food in direct competition with the school cafeteria.

BACKGROUND: The Superintendent introduced Resolution 65-23Sp2, *Adoption of SFUSD Wellness Policy*, on May 23, 2006 and urged the Board of Education to adopt said policy in order to comply with federal requirements and as a recommitment to the District's innovative and effective wellness programs and services.
