

Adopted by the Board of Education at its Regular Meeting of March 11, 2003

Subject: Resolution No. 32-11A5

Schools Community Communication with Board of Education

-Commissioners Mark Sanchez and Sarah Lipson

WHEREAS: The San Francisco Board of Education recognizes that well-run and highly successful organizations and institutions actively seek to have open and unfettered communication channels that facilitate a free flowing exchange of ideas, issues and concerns regarding all aspects of the organization or institution; and

WHEREAS: The Board strives to be the most informed in order to formulate the best possible decisions in its policy making duties; and

WHEREAS: In so doing the Board recognizes that input from all members of the District's schools community--namely district employees, students, families and other community members--is invaluable and necessary to help guarantee that equitable policies are agreed upon by the Board.

THEREFORE BE IT RESOLVED: That the San Francisco Board of Education welcomes and encourages all members of the schools community to bring ideas, issues and concerns before the Board.
